

All the world

ALL FOR JESUS

Over the last few weeks, we've spent a lot of time getting to know our partners and finding out what they're up to. In this short study we're going to spend some time thinking about why we do mission, what gospel partnerships are like, and how we can build our partnerships with the Gorries, the Puffetts, and the Perretts.

What does gospel partnership look like?

This year we got to hear a bit about gospel partnership as Ed taught us from Philippians.

Read Philippians 1:3-11; 2:19-30; 4:10-20.

What different aspects of gospel partnership appear in these verses?

What are the aims of gospel partnership?

What are Paul's hopes and prayers for the Philippians?

Over these few weeks we've talked about prayer, financial support and practical love. Where do we see these three things in Philippians?

Partnership goals

What role could you (as a small group and as individuals) play in these partnerships?

Prayer

How could you pray for our partners?

- As a small group, could you 'adopt' one of our partners and pray for them every week?
- Could you sign up to receive newsletters from one of our partners?
- Could you make time once a week in your personal devotions to pray for one of our partners?
- If you have children, could you involve them in prayer (maybe they could pray particularly for the Puffett or Perrett children)?

Prayer goal:

Financial support

Are you able to financially support our partners?

There is no obligation to do this; everyone has different circumstances. Having said that, some of our partners are currently in need of support, if we all chip in a little bit that will enable them to continue their work.

If this is something you are able to do, why not do it right now! The QR codes below will take you to the donation pages for each of our partners.

Support goal:

Practical Love

How could you help our partners and build relationships with them?

Use your imagination!

Places to stay, letters and postcards, care packages, go and visit (maybe one day...), the list is endless!

Practical love
goal:

**Donate to the
GORRIES**

**Donate to the
PUFFETTS**

**Donate to the
PERRETTS**
